Convention Centre entrance not the main resort entrance

PARKING

Convention Centre car park

DROPPING OFF

Welcome at the front of the netting

PARENTS

Why watch, when you could play?

While the kids are out on the field, you are very welcome to book yourselves in for some fun too — archery, axe throwing, or jump into the gel blasting. Hop onto xperiences.com.au and book your own session.

A separate booking to the party — so just book it in your own name.
